Dear Dr.Lederberg:

I am sorry to have to bother you again. I am applying for the U.S.Public Health Fellowship and they want a statement from the sponsor and the head of the Dept. in the Institution in which the work is to be done that laboratory space will be provided. That statement should go to Frederick L.Stone, Ph.D. Chief, Research Fellowship Branch, Division of Research Grants and Fellowships, National Institutes of Health, Bethesda, 14, Md.

Thank you very much for having the WARF forms send here. They arrived today, and will be send off as soon as I can have the photograph taken.

Sincerely yours,

*Elise Cahn.*
